### History & Philosophy

Theint Theint Aung Co.,Ltd began as a general works company in 2014. We have undertaken many challenging projects and accumulated skills, know-how and experiences in engineering works, trading and production.

Our company takes the role of contractor for projects and performs construction, mechanical & electrical services (M&E) and engineering services to industrial/commercial projects. We also provide design inputs and engineering solutions as value-add services to our clients.

We also serve and provide the followings:

- Cooking Oil (Sesame Oil & Groundnut Oil) Production and Sales
- Peas & Beans Hoard & Marketing
- Horticulture
- Supply & Logistics

**Our Objective:**  
Our objective is to provide our clients with an 'I am assured' experience when we are chosen to execute their projects. Our emphasis on clear communication and follow-through procedures ensures that client's objectives are top priority in the planning and execution of all our processes.

We take pride in our delivery, thus our clients can always be assured that only the most experienced and qualified people are serving them, all the time.

**Our Vision:**  
To be a respectable contractor delivering beyond expectation, always.

**Our Mission:**  
To procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame.
